CABINET

In the busy and tension city life, we really need a small world in which to purify the heart and soul. Sometimes we actually need that kind of plainness and the life attitude that reveals rationality and deep thought.

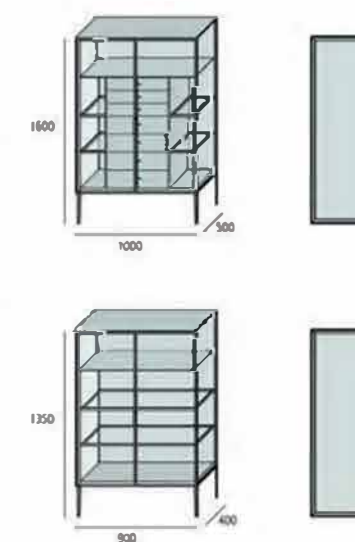

DELICATE

WINE CABINET

Contrast of the virtual and the actual, combination of the thick and the thin represent the perfect combination of modern aesthetics with storage function at home.

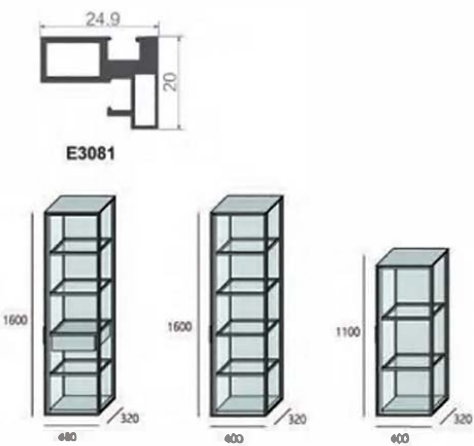

MINIMALIST

TV CABINET

The appearance is simple, the color is calm, the modern sense is full, but when you touch it, you will feel the unique gentle lubrication of natural materials, which is very personal and friendly.

In terms of the design of internal functions, SIM perfectly combines and presents various forms of storage space by fully investigating the consumer's habits of placing goods in life. It emphasizes the concept of "home" under the rhythm of modern life, has good life fragments that can be remembered in the busy time, and savors in the leisure time of the four seasons.

观和

Aluminum door frame not only represents technological and functional innovation, but also emphasizes lightness, appreciation as well as unity and harmony of the outside and the inside of the product. It is not only expressive beauty, but also outflow of natural content. It is a kind of perceptual and rational knowledge of life.
